

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

September 27, 2016

**Implementation of Improvements to the Restaurant Grading System**

On June 9, 2015, the Board directed Department of Public Health (DPH) to conduct a thorough review and evaluation of the grading system in Los Angeles County and provide a report of its findings and recommendations to the Board.

On August 18, 2015, DPH provided the Board with the results of their comprehensive review. The report included findings and ten recommendations that were tracked using the Implementation Plan for Restaurant Grading Recommendations, developed to report on the progress of each recommendation.

On September 1, 2015, the Board instructed DPH to provide monthly progress reports to the Board on the restaurant grading recommendation implementation activities. The final report addressed several determinations made by the Department.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Department of Public Health to provide a report to the Board at the October 4, 2016 meeting on the changes to the restaurant grading system and also report to the Board on the status of the program implementation.
